“ I always enjoyed talking with Carol when she came into our office. She was so bright and cheery when she came each year to our Holiday Open House. She would always run into someone she knew and they would talk about their dancing days. She said she loved to swing dance. She was always telling me about her baking skills and several times she brought us coffee cakes and breads. She overflowed with kindness and had such a sweet spirit, especially when she talked about her boys. She will definitely be missed by many. May your wonderful memories bring comfort to you in the days to come.

Thank you so much for your wonderful memories and kind words. Our mom Carol was a wonderful and kind mother and Grammy and full of life. She now gets to dance and bake with her love. Thank you again.

“ Dear friends Greg & Scott,
So many wonderful memories of your mother....sadly, I cannot find a picture to share. My initial thoughts are that she loved you both and Bill and her extended family so much and that family was everything to her. She was always talking about her sister Judy and her "aunts" and gave freely of her time to care for everyone. She taught Patti & I how to sew on a sewing machine and loved to play cards and Yahtzee! I remember going to Clarks lake and of course Devils lake with you all. No one made Polish coffee cake better than your Mom. She and Bill visited Ronnie & I in Maine many years ago and we had a wonderful visit with them both. Going down memory lane has made me sad but I know she is with your Dad and happy once again. It is my hope we stay in touch in the coming years..
Fondly,
Mary & Ronnie Boone

Mary and Ronnie, thank you for your kind words. My mom and dad had so much fun in Maine with you guys. My dad came back a huge fan of Puffins from that trip. It was so great to see your mom and dad today at the church. Please tell them we enjoyed seeing them, though I wish it was under better circumstances. Take care, Greg

“ Greg and Scott, Donna and I are sadden to learn of your moms passing.. We have fond memories of great times with them over manu years and at Manapogo Campground. It was because of them we joined that campground as a seasonal and are still there. We recall the awesome times we had sharing New Years Eve with them, going out for dinner, fixing hobo dinners in our driveway, and fish dinners. We know that your mom has joined her best friend and husband in the Lords house. She is once again smiling and I'm sure they are both excited to being reunited together.. Our prayers and thoughts are with you at these sad times.

Our Best for you and your families!

“ Greg and Scott,
I have so many wonderful memories of your Mom and Dad. They were both truly wonderful, vibrant, kind people. Your Mom was a terrific caregiver to your Grandmother and also to Aunt Joan. I don't know what I would have done without her.
I think I was about 4 years old when Gary and I were in your parent's wedding. I think we managed to cause some real trouble that day.
I'm so sorry for your loss but I know your Mom is in heaven with your Dad now. No two people are more deserving. God Bless both of you and your families. Love, Debbie
