PS

“ Nancy-our deepest sympathies on your Mom's passing. We have the best memories of your Mom from those early Hawkins years, watching lovingly over all the kids, she had so much patience! She was such a good friend to our Mom and we really appreciated the way she reached out again to Mom when she moved into The Kingston. Your Mom was so lucky to have you care for her over the years and I know your heart must be broken. We will be thinking of you.
