“ Aunt Carol and Uncle Larry were my cousins & Godparents. As a kid, my favorite place to go was their house. I have fond memories of laughter, board & card games, pranks, great music, good food and the best toys. I took bike rides with cousin Chris and we had fun sleepovers. Aunt Carol told the funniest stories and her laughter was contagious. Uncle Larry showed me mind blowing card tricks. I can hear Aunt Carol's laugh. I'll never forget.

“ I remember meeting your mom and she talked and talked and talked and talked and your dad never said a word and I thought that's pretty cool. She was funny and witty and I'm so glad I got a chance to meet her. My family starts with you and yours.

“ Carol was my second mom. Doug and I spent all our growing up years with our moms always there for us. I my mom had to go somewhere I knew Carol was there to watch over me and the same If Carol needed to go somewhere then my mom was there for us as well. I have so many memories of our families spending time together. Mom and Carol starting out drinking coffee in the morning on one of our front porches and then afternoon they would have the wine out. So many memories I could go on and on. Peace and prayers for my lifelong friends.
