

Carol M. Susor-Meza

December 22, 1951 - October 5, 2011

Carol M. Susor-Meza, 59, passed away on Tuesday, October 5, 2011, surrounded by her loving family. She was born in Toledo, OH, on December 22, 1951, to Evangeline F. (Utrup) Susor and Robert L. Susor, who preceded her in death. Carol attended Blessed Sacrament School and was a Central Catholic Alumni. At age 17, she began working as a ward clerk, realized her calling to become an RN, and graduated from Mercy School of Nursing. Carol has dedicated 42 years of her life providing exceptional patient care at Mercy Hospital and St. Vincent Medical Center. Carol was happiest being with her family and made time to attend every event in each of our lives: No holiday or special occasion was complete without baking her favorite recipes for all to enjoy. A few of her passions were shopping, traveling, and then scrapbooking the good times and fond memories. She will be greatly missed by all who knew her. Carol was a loving wife, true friend, godmother, and special sister to Robert (Donna) Susor, Jean Durant, and half-brother Scott (Doreen) Susor, and proud aunt to all her nieces and nephews, Jacklene (Shawn) Glass, Jennifer (Scott) Cherko, Jeffrey Durant, Juliette (Michael) Donovan, Janelle (Anthony) Archibeque, and Robert (Stacey) Susor. She especially enjoyed the next generation of seven great nieces, ten great nephews and one great-great nephew. Please join us in celebrating her life. Visitation will take place from 1-7 p.m. on Sunday, October 9th at the Ansberg-West Funeral Home, 3000 Sylvania Avenue, Toledo. The Funeral Mass will be held at Blessed Sacrament Church, 4227 Bellevue Road, Toledo at 11:00 a.m., on Monday,

October 10th. Entombment will follow in Toledo Memorial Park. Memorial contributions may be made to the American Cancer Society. A sincere gratitude to her caregivers at St. V's and St. Anne's Hospitals for their kindness and support.

“ I was shocked and saddened to hear of Carol's passing today. She was a fine person who worked through life's difficulties with a smile; always a kind word for others. The world is definitely a poorer place without her, and heaven is even richer for her company. Carol, you made the hard days in GI better - thank you for your shoulder.

“ My deepest sympathy to Carol's family.I was shocked to hear of her death today. I met Carol over thirty years ago when I worked with her at Mercy Hospital on 6C. She was patient kind and so much fun to work with. I cannot think of Carol without a smile on my face. She was such a proud aunt and would always speak of her nieces and nephews. When I would run into at St Vincents she always spoke of her family. Rest in peace my dear friend....

“ Carol is one of the warmest and friendliest people I have ever met. I had only known her for about 6 years, but in that time, I gained a great friend and she was known as "Auntie Carol" to most of us. She always called us "sis". Her baking skills were beyond Martha Stewart--but she never ate a one. I will surely miss her smile as I walk in the door in the morning, and her graciousness in taking my call so often. She was one who I could call whenever I had a question at work or if I was shopping and seen a good sale--she did the same for me too! My heart is with you Carol and I know that you will always be looking down on us! You will be missed dearly, but never forgotten. God bless you and may He give your family strength! Your legacy within your family will never be forgotten. You were truly loved!

“ Carol was a wonderful friend and co-worker. As I arrived each morning, she would smile, wave and say "Hello Doll" She was my preceptor and did a fine job. My most treasured time spent with Carol was our trip to Denver for work. We went to class all day and shopped all evening. You are definitely missed. As Jan and Joyce said, Thanks for all the call you took for me and everyone else. My condolences to the family. We nejoyed being a part of your lives thru Carol. She definitely was proud of all of you.

“ There are no words that I can say which someone else has not quoted about Carol; but knowing such a wonderful person, I must say them again. Carol was a dream to work beside. I never heard a mean word come from her, & always seemed to bring out the best in others through her kind example to each patient & fellow employee. I treasure my days at Mercy Hospital because I was able to share time with her. My sincerest condolences to all of her family members. Her death will leave a large hole in your lives that will, hopefully be filled with many wonderful memories.
