

Chad Michael Haley

November 23, 1969 - October 8, 2021

Chad Michael Haley, 51, of Sylvania passed away unexpectedly Friday October 8, 2021. He was born November 23, 1969 to Elwood (Woody) and Sharon Haley in Toledo. He grew up in Monroe, MI before moving to Sylvania in 1983 which he made his home for the rest of his life. Chad was a 1987 graduate of Northview High School and earned his bachelor's degrees in business from Lourdes University in 1997. A proud alumnus he served on several boards and endowed two scholarships to the university.

Chad was passionate and fully committed to everything that he did. He was an avid University of Michigan fan spending Saturday's year after year at football games, most recently sitting at center ice cheering on the hockey team. Chad began working out regularly doing CrossFit and it became one of his most fond passions. Without fail you could find him working out daily at 5:00 AM. His enthusiasm for CrossFit spread to both Tyler and Logan along with other family and friends. Chad was actively involved with everything his sons did. Tyler was 7 years old when he and Chad began taking karate lessons and 3 years later, they both earned black belts. He always had to be involved in the action, where his love of photography led him to being the photographer for both St. John's Jesuit Varsity and JV hockey teams.

When it came time to relax, for Chad that could include shooting, sitting by the fire, drinking bourbon, with a cigar in hand, all the time chatting with friends

trying to solve the world's problems. Chad held very strong beliefs and convictions regarding his faith, family, and politics. Never one to shy away from discussion and debate.

Chad possessed a great sense of humor! The more Chad teased you the more he liked you. Fiercely loyal to his family, friends and clients, his massive personality brought people together and he made strangers feel as though they were his longtime friends.

Chad followed in his mother's footsteps working in the personnel and recruiting sector. This led Chad to start his own business, Career Integration and Career Staffing. He was a career mentor to many. For professionals that knew Chad, he was the first person called when they needed career advice or were considering a career change. Chad's entrepreneurial spirit was so strong that he helped Logan begin a lawnmowing business at the age of 9.

Chad is survived by his loving wife, Kristie (Orth) Haley; sons, Logan and Tyler (wife Logan); brother, Allen (Maggie) Haley; Brian, Darin (Stacey), Eric (Laci) mother, Sharon (Don). Chad and Kristie were ready to celebrate their 20th wedding anniversary. Chad is preceded in death by his father.

Friends are invited to visit from 4:00pm to 8:00pm Wednesday October 13, 2021 at Ansberg-West Funeral Home, 3000 Sylvania Avenue. Mass of the Resurrection will be celebrated 11:00am Thursday at St. Joseph's, Sylvania where friends are invited to visit after 10:00am. Interment will follow in Toledo Memorial Park. In lieu of flowers please consider a contribution to the St. John's Jesuit Hockey Team in Chad's honor. <https://sjjtoledo.org/make-a-gift/>.

“ I have never seen an obituary where so many people share, a true testament to what an amazing man he was to so many. Chad was not only my cousin but he was the brother I never had. I've had countless belly laughs, straight up naughty giggles of some mischievous prank we were up to and most of all, hugs and hugs whenever we saw each other. Chad was my sounding board and rock during so many difficult times, as I know he was for so many. The love Chad showed for everyone around him was a true inspiration. Life of the party, amazing husband and father. The world is a little more dim without Chad in it.

“ There is a smile and a laugh. A slight of the eye caused by mischief behind the scenes. So much life and joy. So much life, cut short of what we thought we might have. I just met Chad at Buzz's memorial service a month ago. But wow! What a wonderful human being. Allan, Kristie, Logan, and those that I didn't meet that were closest to him, my heart and prayers go out to you and to heal your sorrow. Kaycee, a special prayer for you my girl. You are all in my prayers. I hope your heart is full of his love and will be until the end.

“ I am so very shocked and saddened to hear of Chad's passing! Way back in the late-'70's, Chad and a few other St. Mary's School (Monroe) students would help our custodian, Mr. Quell and me set up for the weekly Monday night Bingo during the summer months. Those were good times. I was thankful to have been able to re-connect with Chad again over the years as adults, most recently a few years ago while attending a funeral for a mutual friend's mother at St. Mary's Church here in Monroe, where Chad, his brother, Allen and I were able to catch-up. I even gave them a quick tour of our old grade school! I've witnessed Chad's personal life events through our connection on Facebook. What a fine young man he became! May God give you all peace and comfort in this difficult time. Know that your former parishioners at St. Mary, Monroe hold you in prayer.

“ Chad was a friend to all in high school. I was a year behind him in school but we had a few classes together, and he was always such a great guy. “ Kristie , Tyler and Logan
We are so sorry for this great loss. Chad was an amazing man and so many fond memories we have (too many to list) Most fondly all of the neighborhood get togethers and Chad’s great chili. Will never forget his lending hand when Kayla needed technical tasks for school and forever grateful for him whatever time of night when our basement flooded . Lastly the beautiful pond he helped to build in our backyard. Not to forget Chad and Logan plowing the snow for everyone. Chad leaves a great legacy . Rest In Peace Chad . May God bless you all
