“ *I attended high school with Chuck and counted him amongst my
best friends. His smile was contagious, and his big bear hugs were
the best! As we reconnected through Facebook, he would send
"hugs" that always brought a smile to my face....that was just so
him. It was evident how much he loved his family. His sons and
grandchildren were definitely his pride and joy. I want you all to
know that my thoughts and prayers are with you during this time of
loss. Chuck will be greatly missed and remembered with many
smiles.*
