“ Dad, I know you will never be far away from us because you loved your family so so much. My heart is so broken that you are gone from this earth but I feel at peace that you are with all of your family and Cheyenne and Kelle too. I know that you are in GOD's Heavenly kingdom now and that you are healthy and well again and at peace as your work is done now on this earth. Watch over us always and show me your signs that you are around us. I will love you with all of my being and all of my heart and soul. Thank you for being my Dad and I am proud to be your 1st daughter. Love you forever and ever

“ Sincere condolences to the family. I worked with Charlie for many years at the Edison Delaware facility and always enjoyed his easy-going manner. He was a fun guy to work with and a genuinely good man.
