“ Toula & Maria: My deepest sympathy on the passing of Charlie. It's hard to believe that forty years has passed since Charlie was part of the Bantam City Championship basketball team. I have great memories of Charlie and what he meant to all of us. During these sad and difficult times it's those great memories of playing and laughing together along with a little yelling at Charlie for his ball handling skills that I will never forget. Hopefully we will all be playing on the same team together someday. May Charlie's memory be eternal.

“ I have loved Charles from the first day I meet him.
He was a friend of Jimmy Petas, I enjoyed our time spent in our neighborhood . Playing socializing and the deep bond of friendship we all formed. I was the only non Greek.

Thelma, Marina, Jimmy, Ann, Maria TZ , his delightful sister Maria.
We played basketball outside rode bikes, and best of all swam at the Mihas pool.

Going to watch GOYA basketball ball games at the Holy Trinity Greek Church. The

Then weekend away games in Bloomfield

What a blast. The Greek community welcomed me with open arms, as one of their own

I have so many fond memories of my childhood with all the warm caring Greek families in Toledo. Even Father Chris took me in as one of his own congregation at Holy Trinity .

Many years working and playing at the Greek American Festival working in the pastry tent. Enjoying the dancing performance by both young children and the Adults. And best of all when we were older Working the Beer tent.

As I became and adult Charles and our friendship grew deeper.

I was there to support and encourage him, after the tragic loss of his Father whom he idolized.

Charles came back into my life again after my divorce.

He brought back Love Joy and passion caring that filled a void .

We spent 10 wonderful years together beginning in Sylvania

We had beautiful gardens that Charles planted and nourished.

The biggest contribution was with my Neice KellyNicole Fisher.

As an infant Kelly was diagnosed with failure to thrive.

Charles was so gentle loving and caring,

Charles was the only person to get KellyNicole to eat.

His feedings nourished her to health growth and development that couldn't of been done without his kind patient gentle soul.

Today KellyNicole and her sister still brag about how wonderful Charles was to their fun nurturing childhood.

*Charles and I breed Labrador Retrievers
He was instrumental in raising and training them
He kept Morgan our chocolate Lab*

*After a life changing month vacation in Ireland. He was a great
companion and travel guide. Sight seeing the most beautiful
seaside towns.*

Engaging with the local people if Ireland

*After Ireland Charles and I took on a new life adventure in Northern
Michigan*

*We set up a lovely home in Harbor Springs where he filled it with
warmth charm and love*

*His gardens ,flower boxes and hanging baskets had the tourists
stopping to admire their beauty.*

Our life in Michigan was pleasant and relaxing

His death leaves an empty void in my heart.

Charles is now at peace with his father in heaven

I will always Love you Charles

My prayers and blessings to all his family and friends

Deepest Sympathy
