“ I will forever cherish our memories and forever be thankful for doing all these activities with my Papa. I will miss the times we went and rode on the 4 wheeler, the times we took walks and went into the woods.

“ Very sorry to hear of Charles passing.

My time around Charles was at Maumee Valley Country Day School. Charles was special to me. He was so willing and able give his best for those around him. I was on the receiving end of his best so often and will forever be grateful to him.

His wit, his great laugh, soft smile will never be forgotten. Last summer while visiting the school, I found Charles lining the Field Hockey field with some summer workers, He seemed so happy to be sharing his wisdom and time with the young adults. He was a good educator for them and once again, was giving his best.

Charles you are missed

“ Chuck and I had some good times at the school. Doing projects in school, in the athletic fields and mowing lots of grass. We always had laughs together.

Charles was my best friend. We worked together at the school and remained friends when I got hurt and retired. He has such a generous heart! He helped me through some pretty rough times. During this rough time I got to spend some quality time with him and Rose. Rose and I became really close now. Another Charles plan. I will miss him greatly! As for Rose I now have a life long friend!! Love you Charles and Rose!
