“ The first time I met Chuck was in 1977 when he and Clyde Steele threw an engagement party for Kathy and I. He was always such a kind person. He and Kathy were always good friends. He was especially comforting to her after she became ill calling her weekly to just to talk. While I didn't have as much contact with Chuck as Kathy did whenever I did see him it was as if we saw each other regularly. He will be missed, especially his great sense of humor and his kind heart.

“ I’ve known Chuck for 50 years. My late husband Dave Sieja lived in the Adams Township area and also went to Rogers High School. Chuck did the flowers for all three of my children’s weddings. Later in life we used to get together with a group of friends monthly to go out to eat and Chuck rarely missed. He will be missed. I am sorry for your loss. Maeva Sieja

“ My brothers and I grew up on Fries Ave with Chuck. We were in many of the same classes at Glendale School. Lots of fond memories of those childhood days. Enjoyed touching base with him at our 50th class reunion a few years back. Sending my sincerest condolences to his remaining family.
