

Christine L. Reneger

March 23, 1950 - March 2, 2024

Christine Lee (Bates) Reneger passed away peacefully, surrounded by family, on March 2, 2024, at Hospice of Northwest Ohio, at age 73.

Chris was born on March 23, 1950, to Leland and Charlotte Bates of Holland, Ohio, and was later Big Sister to David and Duane. Christine graduated from Springfield High School in 1968, where she met the love of her life, John Reneger. John and Christine were married on August 16, 1969, and in 1972 built their home in Toledo, where they lived happily for 52 years, raising their family.

Christine loved to spend time at the family lake house, and frequently welcomed a houseful of family and friends. For many years, she hosted a get-together on the lake to celebrate and connect with multiple generations of family.

Christine devoted her professional life to the Taylor Automotive Group for 45 years, where she nurtured numerous lasting friendships. From 1993 through the present, she served as co-owner of the Toledo Cherokee Hockey Team. Chris dedicated countless hours to providing opportunities for young men to play the game that she loved. Aside from hockey, Christine was an avid bowler for many years, participating in leagues and tournaments. Love for both of these hobbies has passed down to her children and grandchildren.

Christine is survived in death by her husband, John Reneger, her daughter Angela (Israel) Montemayor, son, Jason (Stephanie) Reneger, 5 grandchildren: Elijah Reneger, Domenic Montemayor, Sedona Reneger (Madison Roop), Isabel Montemayor, and Avery Reneger, and brothers David (Deborah) Bates and Duane Bates.

Christine is preceded in death by her parents, Leland and Charlotte Bates, parents-in-law, Clarence and Ruth Reneger, sister-in-law, Judi Morrison, and sister-in-law, Terri Bates.

Friends and family are invited to visit at Ansberg-West Funeral Home, 3000 W. Sylvania Ave. on Monday, March 11, 2024, from 4:00pm – 8:00pm. “ I always loved Chris and John so mush. Even though John was my first cousin he was a generation older than my two sisters and I. John always loved teasing me and my sisters. But Chris, she was always so sweet and kind!! She always had such a comforting spirit about her. Chris was so loving and it just was so natural for her!! Chris definitely was a “ giver” I'm sure John and her children and grandchildren felt it all of their lives. Prayers, Peace & Love to John and the family!!💜🙏💜

“ Mom, where do I even begin? You never once treated me as if I were just your daughter-in-law, you always treated me as if I were one of your own. You comforted me in so many ways especially after my own mom passed. You always looked out for the entire family and only wanted the best for us. I truly meant it when I told you that you were the strongest person I knew. You were stubborn and you put up a fight until the end. Now it's time to rest mom, our family chain is broken and we miss you terribly but you are slowly linking it back together in heaven. Please tell all our loved ones how much we miss and love them too. Im going to miss our laughs , our private talks and miss giving you hugs and hearing you say that you love me . Don't worry about papa, we've got it from here. I love you mom.

“ Grandma, thank you for always having faith in me with soccer and plenty of other things when I didn't see the same. Thank you for being an amazing grandmother to me. I will miss your smiling face everyday. I will miss spending the night at your house with you and papa and spend every weekend I could with you at the lake. I am so very proud to call you my grandmother especially with all the accomplishments that you worked very hard for. I will come visit you at your new resting place everyday I possibly can even if that means I have to drive far. I promise to check up on papa just like you did and make sure he is doing ok and taking care of himself. Thank you for shaping and turning me into the strong young lady I am today. You will be greatly missed by everyone. I love you and I miss you so much grandma. 💔🕊️ - Avery

“ Chris was like a sister. When we were young we played together Monday through Friday as my mother cared for her during the daytime.

“ Grandma, Thank you for everything you have done for me. You have been by my side through thick and thin. We have so many incredible memories together from being at the lake making you the most burnt smores I have ever seen, playing cornhole, playing euchre, watching us fall off of the tubes, watching us do donuts on the jetskis, taking us to home and away trips with the Toledo Cherokee, providing bowling tournaments and band trip opportunities, never missing a bowling match, never missing a band concert and always welcoming friends and family with complete open arms. You will be missed greatly by so many people. I will continue to live the way you lived by having open arms to everybody I meet and try to provide as many opportunities to those I come in contact with. Thank you for shaping me into the young woman that I am today, I am forever grateful to have been your granddaughter and by your side for as long as I was. One more thing, Thank you for loving the game of hockey so much, your love for the game has rubbed off on me and every time I watch the Detroit Red Wings I will be thinking of you.
