“ Dear Bea and Jim, We are so sorry for your loss. Clarice had a long life and I am sure she appreciated all your visits and care over these past many years at Lake Park. When she smiled at me on my last visit, I felt she was trying to make sure I knew she was okay and that I would be here to help the both of you. If there's anything we can do, just let us know. We're here for you.
