“ To Doug and I she has always been a ray of sunshine and a fresh breath of air. Thank you Claudette for every sweet birthday card and Christmas card you have sent me over the past 14 years. I will miss your sweet notes cause they always made me smile and I will sure miss my birthday checks... just kidding. Now You go up there and put a good word for me and tell them I'm ok. Love....Ahmed:)

“ One of the many beautiful things about Claudette's life is that we have many great memories to remember her by. As someone who enjoys cooking, I always thought of her when I made her pot roast. Now that ritual of making her recipe will be all the more significant. My condolences to the family.
