“ Have known Davene for many years from Toledo Hope UM Church. In addition to her activities in many worthy causes, she had a great sense of humor and was a very loving person. Some time back she and my mother decided they were some "shirt tail relation" and we referred to one another as "cuz" ever since. In a letter I received from her a while back, she referred to herself as a "little twig on our family tree". She had invited me to attend the Flower Hospital June Tea and I had really looked forward to seeing her again. We are unable to attend the funeral, but please know that you have our deepest sympathy and are in our thoughts and prayers.
