“ I am deeply sorry to see this today. I have nothing but great memories working and hanging out with Davey K. Great pool player, person and good friend back in those magical 90s. Thoughts are with his family and Rosa and sorry I didn't learn of this news until now.

“ News just made it to us of David's passing. Our hearts just ache, dear Rosa. We so looked forward to this winter in FL and seeing you both was high on the list. Please know that we send our warmest love to you and pray for you and your family during what we know is an impossibly difficult time.  
Love, Jan and Dave Marks

“ *Losing a great friend punctures a hole in one's heart. This is how we feel about Dave Klockowski. He's a great friend, and will miss him dearly.*

*We got to know Dave when we became neighbors in Sylvania Twp. Dave greeted us with smiles and respect, then made our lives interesting and fun with his curious mind and wide range of interests. He was inventive. He could think "outside the box" and then translate those thoughts in a plausible conversation. We loved that about him. He was unique, quirky and fun!*

*With his lovely wife, Rosa, Dave liked to entertain and welcomed all. It was nothing for 20 people to wander in and out of their house while grabbing a beer. He made sure guests were comfortable and had their favorite food and drinks and helped keep us entertained. His "Harvey Wallbanger" story alone brought down the house.*

*Dave also loved animals, especially his dog, Alf, and the cats Rosa adopted. They carted their pets to and from Florida each year after finding caretakers for feral cats they cared for. He even wired a light bulb inside an outside shelter so its heat helped the cats stay warm. Just kind little things like that show the goodness in Dave's heart.*

*Speaking of Alf, "Alf" was one of his favorite TV shows. In fact, among the final words he said to us were a quote from Alf. We'd like to return the favor.*

*Dave, if you're listening, you would weigh short and long term goals in decision making. Or, as Alf once said it: "Hmmm, immediate gratification versus long term security...I'M THINKING, I'M THINKING!"*

*Well guess what, Dave. You're in heaven now. You can enjoy both!*

*Meantime, we on earth will miss you.*
