“ I had no idea Debbie was ill.....my prayers are with the family. We went to DeVilbiss High together..and had a lot of double dates...and triple dates along with Shyrene...a lot of good memories. We kept in touch thru the years...with different jobs...and the signs/shirts I designed for her. The fond memories will live on. May God Bless.

“ My warmest sympathies to Deb's family, especially Bobby, Shelly and Trevor. I knew Miss Deb for several years, and will remember her as a woman with generous spirit, a wonderful sense of humor, a thoughtful neighbor and friend that always showed me kindness.

“ I am heartsick and sad for your loss. I met Deb when Katie was a baby. I knew how much Deb cared about and enjoyed all of her grandkids. She was proud of each of them. I hope they will remember how loved they were. And now she must be enjoying Elvis.

“ It’s amazing how God works. I had no idea of Debbie’s passing until I was looking in the Blade for another friend who has passed on. I was shocked. But, then reminded of time spent during my younger years when she and my mom, Priscilla used to be inseparable. When I saw her last, she was working in Stein Mart and I had no idea she was ill. I will never forget the love she had for her sons (Bobby and Trevor) and her grandbabies that she talked about every time I saw her. She was truly a great woman who will truly be missed. Praying for peace and healing over the family as you work through such a tough loss.
