“*Del and I played football at DeVilbiss High School. And, when The University of Toledo almost dropped football, Del, Ron Richards and I, all former DeVilbiss teammates, went out for Coach Harry Larche's team. We had the best UT record in over 10-years, but did win the title. But at least we helped save foot at TU. Bob Cosgrove DeVilbiss class of 1953 Detroit, Michigan*

“*Ketterman family, I am so sorry to hear about Dels passing. My thoughts and prayers are with you all. I was the financial sec. at Reformation and I liked working with Del and the conversations we had. I hadn't seen him in a long time because I started having health issues about when he did. I did always think and ask about him. God be with you all.~ Shearl*

When visiting Del would take me to Scott Park to shoot hoops. He gave me one of his UT football jerseys to wear when playing basketball in the winter. Memories are cherised and live forever.
