“ *I just wanted to let the family know that even though I am not able to be there, they are in my thoughts and prayers at this difficult time. I will never forget her laugh and her thoughtfulness. She was always there to offer guidance whenever she could and I will always be grateful for that. May God Bless all of you.* ”

“ My deepest sympathy to the family. Diane was a dear friend during our high school years and as a young Mom married to Jerry (we all went to CCHS '60 together). I know it's been a long, hard road since her brain tumor diagnosis. Now she has eternal life with Jesus. May you find comfort in knowing she is free from all the suffering. Peace to all her family.

“ I wish to send my deepest condolences to the family. "Mom" Kern will be missed, but never forgotten. She was like a second Mom, to every kid, that had the good fortune to meet her, though Adam, Tony, & Alycia. I will never forget her. She was a huge part of my great childhood memories. RIP Mom
