“ So sorry to read of the lost of your loved one. We were unable to extend our symphathy as Harry is recovering from a broken hip. Since we worked with your mother at different events, we knew her and all the good work that she did. We want you to know that we have her family in our thoughts and prayers.

“ To Dolores' loving family, While we are not with you in body today, we are with you in spirit. Our thoughts and prayers go out to you at this difficult time. We feel truly blessed to know both Jim and Dolores and their wonderful family. When we joined the Starcraft Camper Club in 1997, we were welcomed by so many wonderful people, including the Pollaufs. We had so much fun at the international rallies we attended, and never tired of hearing tales of the early camping days of the Pollaufs. We can just imagine that station wagon loaded down, each child with their tote box, and the fun that ensued. Dolores used to tell about other campers coming to watch them unload and get set up! Over the years, we have also camped with many family members and have great memories of times spent together. Our thoughts are with you all today. Hope to see some of you in Michigan this summer. Love to all, Galen and Lynn Neal

“ Bob and family, I'm sorry about the loss of your mom. She was a beautiful person, inside and out. You all will miss her terribly. Cling to each other and you'll be ok. Give yourselves time to grieve. Cry a little each day. It helps. She is with your dad. They'll watch over their family together...again.

“ Your Mom was always one of my favorite Aunts (and your Dad one of my best Uncles), so I know that she touched hundreds, if not thousands, of people's hearts. She was always happy (at least around me) and I will miss her lots. Glad I could be there for her 80th birthday. NOW, the two of them can get back in their campers and start touring all across heaven!

“ I am deeply saddened by the passing of Dolores. She was an amazing woman - beautiful and strong in spirit and faith. A person was never a stranger to Dolores for long, she made everyone feel welcome and part of the family. Deepest, heartfelt sympathy to all the Pollauf's from my entire family.
