“ *Delores and I became acquainted several years ago while I was working on our Berman family history. I brought the fish sandwiches, she brought out the old pictures, and we both told stories for hours. It was obvious just how much she loved her family. What a lovely person!!! Please know you are all in my thoughts and prayers.*

“ My sincere condolences to my cousins and their families. I too am grieving at this sad time, as Aunt Dolores was very near and dear to my heart, as she was like a mother to me and my BFF. I will cherish the many fun times we shared when together, the many heartfelt talks and I will miss calling her on the phone just to say hi and to check in. Her wisdom, honesty, sense of humor and her unconditional love will stay with me until the day we put our arms around each other again and squeeze. We all were very fortunate to know Dolores for who she was and for how she impacted our lives. No more tears, no more pain, no more fears Aunt Dolores, and knowing this makes me able to let you go and smile, as I know you are at peace with God in heaven. Thank you for the laughter, the memories and the love! X O
