“ *To all the family: We feel great sadness that Don has left his family and friends. I, Dee, always loved having him come into the office, scarf down some jelly beans or candy corn, and just visit with me. It was a pleasurable experience, and one that I came to look forward to. He will be missed. The Bible reminds us that he has gone to be with the Lord now, and for that we can give thanks and praise that his pain and discomfort have ended. God Bless. Dee and Bruce*

“ We are so sad to hear of Don's passing. We are sorry that we did not attend the services, however with Jean out in California for the holidays, we were completely unaware of Don's passing until we read it in the newspaper on Sunday. Jackie, our thoughts and prayers are with you and the whole Campbell family.... which is part of our family....and we now have an empty spot in that family that will never be filled. We will miss Don, however, we know that he is with the Lord in paradise. Thanks be to God. If we can ever do anything for you please feel free to call us.

“ Jackie & Family, we were out of town & unable to attend the funeral. A favorite memory is the Shriner's dances and the events of the evening. You both are very special to us. Please know you are in our hearts and prayers.
