“ To the Provencher family, I would like to express my condolences for your loss. I remember Don and Terry from the neighborhood when we lived on the corner of Broer and Nebraska. Growing up we attended birthday parties and teen dances for many of our young years. I have kept in touch with Terry for a few years now after we connected on classmates. My blessings to all of you in wishing comfort and peace at this time of grieving. Take good care!

“ My condolences to Don's family. I grew up with Don and went to both grade and high school with him. Although I had not seen him in recent years I would often think of things we had done together. Rest in peace Don and God bless your family.
