“ Words cannot express the sorrow we feel for Don's family. His loving smile and friendship is going to be missed by all who knew him. I, personally, will never forget the happy, fun loving person he was, when he came to my house to swim, and when he and 'Beeper' played pool in our basement, we had so much fun, we'll never forget it. God bless you Don, and "God Bless the USA". I will sing it for you Don!! Forever, Bob Wurst

“ Ed, it has been longer than it seems since I worked at the Garage, but I remember how your face lit up when you spoke about your son. I thought more than once that he was lucky to have a father like you. I just wanted to extend my sympathy to you and your family. Sincerely, Jenny

“ Dear Mr. and Mrs. Wolff, I don't know if you remember me, it has been a number of years since I was involved with Challenger Little League. I just wanted to share my condolences about the loss of Don. I think the thing I remember most is the time we had the state tournament for Challenger little league and one of the batters for the opposing team hit one to the deepest part of center field where Don was playing. I remember Don caught the ball and instead of throwing it in he ran past me like a freight train, and ran up to home plate and got the runner out. I just laughed so hard. I want you to know that he is loved, and even though he is no longer with us, I will always hold a place in my heart for him. With deepest love and sympathy, Don Gabenski Denver, Colorado

Different DSAGT events- Don always greeting me like I was the love of his life- he greeted everyone like that. Most reciently at UT Area 4- He was practicing Volleyball and still made time to say hello. You raised a wonderful gentleman. Thank you for sharing him with all of us. “ We are very sad to hear of the passing of Don from our earthly Fairgreen family to the ever growing heavenly Fairgreen family. We remember him well and he was always smiling and greeting everyone. We have not been active at Fairgreen as of late , so we hadn't seen Don for a while, but he will always keep a special place in our hearts, and we thank god for the opportunity to know him.
