“ Dear Bader Family, Please accept my deepest sympathy for the loss of your dear loved one. It seems no greater sadness is felt than when someone so loved is loss. May you find comfort in your memories and draw strength from a promise God has provided which gives the hope of someday being reunited with Donna (John 5:28,29). This promised future is one that will be filled with great joy because it will include perfect health and everlasting life where the "former things will have passed away" (Rev. 21:4, Psalms 37:29). So may you during this most difficult time find some comfort in knowing that God does care and He does hear cries. And soon He will correct all that is wrong. Please accept my most sincere condolences.

“ Donna was such a friend to our family. She always had a kind word to say to everyone and my Mom Virginia always would talk about what had happened at Red Wells that day and what her and Donna had done. Donna had such a kind spirit, I'll never forget her.
