“ Jackie, Jeanne and families, I can only say how sorry I am that your mom has left us. I feel truly blessed to have so many wonderful memories of times that I shared with her. Thank you for allowing me to be there with her, it meant so much to me. I can still hear her saying "be careful" as we walked out the door each time. She raised 2 wonderful girls and passed her beauty both inside and out on to you. I love you all and will be here for you always, Kelly

“ My deepest sympathy goes out to Donna's family and friends. She was truly a great person. My dealings with Donna were basically all professional over the phone. It was a pleasure working with her because I knew I was dealing with a truly honest person. Though my relationship with Donna was professional I felt like she was a good friend. She was caring, funny, honest and overall just a good person. I was very sadden to hear the news of her death and I will truly miss talking with her. Kevin

“ Jeannie, Jackie and Family, please accept my deepest sympathy for the loss of your Mom. I will not be able to attend her services because of a prior commitment to take my mom to visit her sister in Iowa, but I will be there in spirit , thought and prayer. I am sure that the strong faith and strength that was so much a part of who your mom was; and passed on to both of you will sustain you in the weeks to come. Phyllis

“ May God surround Donna's family and friends with His love and great memories they shared. I only knew Donna professionally, but she was such a sweet lady and always a pleasure to talk to. She will be missed and her loved ones are in my prayers.
