“ Grandma was an amazing woman and cherished by her family. She brought us all together for so many celebrations and gatherings. Christmas will always be my favorite time at Grandma and Poppy's. She was kind, had a good heart, loved her family, had amazing faith, caring, hospitable and always concerned about others. Thank you Grandma for creating this amazing family - especially my Mom, Mary. You raised her to be a wonderful woman and I hope to follow in both of your footsteps. You are so loved and will never be forgotten.

“ I want to express my most heartfelt condolences on the death of your mother. She was a beautiful woman and a kind-loving soul. I remember fondly visiting or passing by on Milburn seeing her ever present smile on the porch just warmed the day. She was a true Matriarch of a wonderful family and my prayers go out for you and your loss. God Bless her and keep her ever at His side.

“ I am saddened to know of Mrs. Gould's passing. She was a central figure in my high school years, and she tolerated the long noisy, nights of 4 girlfriends laughing and talking til dawn. She let us drink coffee for breakfast, and was always warm, kind and gentle, with her southern charm. Mary, you are the perfect legacy of your mother's grace. I am privileged to have shared time with her, and cherish your friendship. Much love.....Peggy and Jeff
