“ Well I really do not even know where to start. Doris was my grandmother and one of the most caring people I have ever known in my life. She practically raised me for half my life and was always there when I needed anything. She was always the one person in my life I could count on no matter what happened. Grandma I know we parted ways for a while, but you have, and always will live on in my heart and soul. I love you with every fiber of my being. Robert and Billy I am so sorry for your loss. You are both in my thoughts!

“ I have known Doris my entire life. Her parents, Paul and Elizabeth Harnick, were close friends of my parents, Dan and Cleo Mathews. Doris was a very sweet person just like her Mom and Dad. I will never forget her just like I won't ever forget her parents. William and Robert, you had the best parents anyone could ask for. Take care.
