

Doris A. Hannigan

May 4, 1932 - November 22, 2017

Our mom passed from this earth on November 22, 2017, after a battle with Parkinson's in the last years of her life. Per her request, she stayed at home with as much love, support and peacefulness as possible from all her family and friends. All throughout our younger years, she mastered the role lovingly of being both a parent to us and working full time at Spartan Chemical, where she dedicated over thirty years. She never faltered in showing her love for her family and branching out to... others by volunteering at Christ the King Roman Catholic Church and the Red Cross. We all have benefited through her loving teachings and guidance. Making us compassionate and understanding adults, following in her gentle footsteps and ways.

Preceded in death by her parents Carl C. and Mary B. (Kowalski) Phillips and her brother Richard Phillips.

Doris is survived by her three daughters; Cathy (Ron) Russell, Patti (Brad) Dowling, and Susan Hannigan and her friend and companion, Rudy Crow. Grandchildren Ginger (Nick) Wisseman & Victoria (Tori) Leigh Dowling and Great Grandchild Fable Tryn Wisseman.

May our Lord give her peace, love and total happiness and eternity. Some day we will be together again. Rest in peace Mom, we love you.

Special thank you for all the support and encouragement that Hospice of Ohio gave to us. And special friend Beverly Dowling for accompanying her to many different entertainment and art events.

A memorial service for Doris will be held on Friday, May 4, 2018 2:00 p.m. – 6:00 p.m. at Ansberg-West Funeral Home. Arrangements have been entrusted to the Ansberg-West Funeral Directors, 419-472-7633. To send her family online condolences, please visit www.ansberg-west.com.

“ Tim and I would like to extend our deepest sympathy for the passing of your beloved mother Doris. She was certainly a fine lady and per Tim "About the kindest woman he has ever known". We know this has been a long haul for all of you and you certainly did a wonderful job caring for your mother up to the end. She is now free of all pain and suffering and is resting at God's side.

Sincerely,
Tim and Susie Thornton

“ Patti & Cathy, these are sad times and also trying. I hope the two of you stay close and keep the good memories amongst your own families and friends. Doris was a wonderful woman and we are glad to have known her, although it wasn't mentioned in the obituary, being a full time employee at Spartan Chemical for over thirty years and volunteering for the Red Cross are striking achievements and still being there for you as a single parent. What a strong woman to have so much strength and never looked back to say I would of done it differently. I hope that you find peace and that her legacy moves on with you and your children. Again what a fine lady.

“ Dear Cathy, Patti and Suzi, I hope you remember me. Your mom and my mom had a lot in common, they were single parents and did fulfill both roles. My mom just died at age 94 this past April. I cannot imagine how they raised us. I remember your mom as kind and I am happy you were able to keep her in your home, and that she was at peace and had the love of her children around her when she made her final journey. Losing our parents is the final stage of our growth into our own adulthood and what she taught you is her gift.

“ Dear Cathy, Patty and Suzi, My deepest sympathy to all on the loss of your Mom. I was with her at Spartan for many years. Doris was a competent, caring, compassionate and classy lady who was a wonderful mentor and confidant to many of the ladies and gents at Spartan. She will be missed by all of us that had the good fortune to know her. May God bless her and all of you.
