“ My first memory of our dear neighbor Dotty was when we first moved into our new home. We moved in two weeks before Christmas and we were greeted by Dotty with a plate full of cookies to welcome us to the neighborhood . Dotty was a light to our neighborhood always greeting everyone with her beautiful smile. Her love for Christ was evident in all she did. She loved sewing and did beautiful work! I got all our Christmas stockings made by Dotty and we cherish them to this day. The last time I visited Dotty to take her a meal she insisted on giving me something. Going around the house she came back with a little trinket and would not take no for an answer, I must take it! Dotty was a caring , loving, giving Christian saint and is with her Lord and Savior forever. May we all follow her Christian example and her love for Christ til we meet again!
