“ What a truly lovely person Dorothy was! The first thing I remember is her constant smile. She worked so wonderfully with our orthopedically handicapped students at McTigue Junior High with never a complaint and always meeting the needs of each individual student. A great friend to so many and always such a gracious person. Fabulous to know and work with.

“ Please accept my expression of sympathy in the passing of Dorothy. She volunteered several times at the Pancake Breakfasts sponsored by Volunteers In Parks at Wildwood. My records show she was there in 2004, serving a two hour shift.
