“ Dear Family of Dorothy Knight,  
We wish to extend our prayers and condolences to all of you in the passing of Dorothy. She and her husband, Herb, were very special neighbors for so many years..always friendly and caring with all of us. They will always be remembered and missed so much. Herb made so many canes and other" woodworks" for us to cherish. Their garden produced so many tomatoes and zucchinis that they always shared with their neighbors. And we always admired the various quilts that Dorothy made for her families. Herb also collected and repaired so many bicycles for children in need. Very special folks who lived very special lives.  
Sincerely, Milly & Gabe Apardian

“ My condolences to Dorothy's family. I've known her for over 30 years and we were both membersof Cellar Sewers Quilt Club. Those of us still in the club knew her not only as a dear friend but an accomplished prize-winning quilter. She had a style of her own. It was always a pleasure to be around her and her dear Herb. . We know that the past few years have not been good to her but the memories she gave all of us will linger on.  
Sincerely, Jean Oberkiser

“ My sincere sympathy to each of you for your loss. *Psalms 90:10* says that the usual life span is 70 or 80 years. When man was created, it was God's purpose that he would live forever. *Romans 5:12* explains why death and sickness occurs. His purpose has not changed. He assures us that he will restore life to all who are in his memory right here on earth under the best of conditions.

*Revelation 21:3-5*

*John 5:28,29*

*Psalms 37:29*
