Dorothy Paul HOLLAND, Ohio - Dorothy A. Paul, 86, formerly of BROWNSTOWN, IN, was called to her heavenly home last week from the Lutheran Village nursing home in Holland. A private family service was held in St. Louis, Missouri. Burial immediately followed the ceremony. She now rests beside her beloved husband, Roy. She was an active member of St. Peter's Lutheran Church and in the community as well. She was very involved with Psi Iota Xi charitable sorority serving on the National Council as Officer for the Southeast District in 1977. The American Cancer Society was also among her many civic activities. Dorothy worked several years for Jim Spurgeon Insurance in Brownstown, Brownstown Central High School, and later at the Brownstown Public Library. “ Dear Glen, Brian and Carl, Just read the obituary of your wonderful mom in the paper. I have so many warm and fun memories of her. She was always so nice to me and treated me like one of her family. She is the one who really taught me how to set the table and to this day I simply cannot leave a knife turned the wrong way. I will always remember the look on her face when Bootie and I went to her to ask if he could be my brother. We were so disappointed when she said no. My mom had said yes, of course! I have thought of her often in the last years since she moved from Brownstown. What a blessing to have been a kid in the 50s and living on "the hill". The Paul family will always own a special place in my heart. Sending a big hug to my neighbor "brothers". Love you all. Jane

“ Just had to write and send my condolences to all of you at this time. I have fond memories of your family from many years ago growing up in Brownstown. Your mother was a great lady. I know you will miss her. I have often wondered where all you boys were. God bless each and every one of you.

“ Having worked many years with Mrs. Paul at Brownstown Central, I felt close to her. I want you to know she will be missed by her friends in the Brownstown area. I remember one school day when the principal and other office staff were gone. I was a young athletic director and teacher that was nervously left in charge. I look up and there came Mrs. Paul into the office. She had been out of school due to a health problem. I still remember giving her a bear hug as I was so glad to see her. She did not have to be there that day, but I am confident she knew my situation. That was Mrs. Paul! You are in our prayers.

“ Glen, Brian, Carl and Families So sorry to learn of your mother's passing. I didn't realize she was in a nursing home in Ohio. I have very fond memories of all the fun on "the hill". When I was very young she patched me up when I fell in front of her house on the way to school. You have my deepest sympathy, she was a very sweet lady.
