“ I have fond memories of Dorothy from my childhood. Our families got together often. I always thought Dorothy was my mothers best friend. She was a wonderful person.

“ I worked at Friendlys in West Toledo for many years, and Dorothy was a regular customer. I always enjoyed talking to her, and it was very clear to me that she was a genuine, spirit-filled Christian, a truely gentle lady. She really cared about people, including me and my family. Wishing you all peace and comfort during this difficult time.
