“ I want to express my heartfelt sympathy for your loss. Doug and I went to Calvert together and ran around in the same group of guys. After high school our group would go out together and have fun. Doug was always a quick-witted, optimistic guy. Later on after I moved to Indianapolis we sort of lost touch. Doug will be greatly missed. He was a good friend. Sincerely, Larry Smith

“ To the entire Perry family!! Your sister, Millie, is one of my good friends. We also are in a bible study together. During our time together, we have heard some amazing, funny, and heart-warming stories about your family. I pray for peace and comfort for you all at this time of loss. For Doug, I pray that his homecoming was every bit as beautiful as Millie described his spirit and character!

“ Eternal rest to Doug and Connie. In the grace and mercy of Our Lord Jesus Christ, they are now together again to spend eternity together. No longer do they need faith or hope, forever in the love of their Blessed Saviour. It is a privilege to have been a Eucharistic minister to both of them on the road to their Lord. Condolenses to family from me and my brothers and sisters of Saint Joseph Church in Sylvania.

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why Doug left this earth so soon, or why he left before all was ready to say good-bye, but little by little, we begin to remember not just did he die, but that Doug lived. And that his life gave us memories too beautiful to forget. Cherish the memories of the time spent together and know that our family is there for you during this time of grief.*
