“ God bless you dear Doug. You were a very kind man when I knew you way back when I worked at Kenwood Pharmacy in 1969. You always took time with your patients to explain their meds to them. Little did I know that I would end up working with your dear wife Verna at Toledo Hospital on 7th floor after I became an LPN on Coronary Care. You two were a perfect match! Both so kind, gentle and giving to your patients!
Your children were surely blessed to have you as their Dad.
God bless all of you and may the many memories of him keep him alive in your heart until you meet again .
Sincerely with love,
