“ Karen,
I am sorry that your mom has passed. There are times when the passing of a parent can be a blessing, but not easy to accept. Just know we're thinking of you and offering prayers of comfort for you.

“ Karen - *Sorry for your loss. I will remember your Mother as she was when I lived in the neighborhood many years ago. Her love for the stray animals taught me that I too should help feed and find homes for the strays around my house! My prayers and thoughts are with you.*
