

Edward W. Shriver

March 24, 1940 - July 30, 2010

Edward W. Shriver, 70, of Toledo was a humble man, whose greatest wealth was his generosity and kindness to all who knew him. Ed was born in Beaver, PA., on March 24, 1940 to the late Lois (Popp) and William Shriver. He passed away peacefully on July 30, 2010 at the Toledo Hospital. Ed was a graduate of Tri-State University and attended the University of Toledo. He was employed at Surface Combustion for many years. He also taught heating and cooling at Whitmer High School for four years at the new vocational center. Ed owned and operated the Shriver Heating, Air-conditioning, and Refrigeration business for over 40 years. He was an active officer, instructor, and member of RSES (Refrigeration Service Engineers Society) where he received the 2004 Member of the Year Award for his outstanding contributions to the industry. He was active in numerous other organizations as well. Ed was notorious for being late for everything and rarely said "no" to anyone! He is survived by his sisters, Margaret (Mel) Vogel of Mansfield, OH., Joyce (Gary) Dawson of Rochester, MI.; brothers Don (Linda) Shriver of Beaver, PA., and Dale (Judy) Shriver of Marengo, IL.; and dear friends Joan and Don Braatz and family of Toledo, OH. Friends are invited to visit from 11:00am-8:00pm on Sunday, August 1, 2010 at Ansberg-West Funeral Home, 3000 Sylvania Ave. Visitation will also be held from 11:00am-1:00pm at Noll Funeral Home on Tuesday, August 3, 2010 in Beaver, PA., and will be followed by a graveside service at 2:00PM at the Highland Cemetery in Ohioville, PA. In lieu of flowers, his family requests that memorial donations be made to the charity of the donor's

choice. To send online condolences please visit www.ansberg-west.com.

“ My deepest condolences to the Shriver family and friends hurting from Ed's loss. In the fall of 1974, I was 18 years old and a senior at the brand new Whitmer vocational High School, studying heating and cooling. I was lucky to have Ed as my instructor. Ed enjoyed sharing his vast knowledge with us. He made class interesting and treated us like his own sons. Ed gave me a great start to a rewarding career. I graduated in 1975, but I never stopped learning from Ed. I've been working full time in refrigeration service for 35 years. Ed was always there to answer a question or just to talk. I was one of many lucky people to receive help whenever needed from Ed. He so enjoyed helping others. Thanks to Ed's nomination, I have my picture on the wall at Whitmers Vocational Hall of Fame. Ed will be remembered forever. I'll use his knowledge for the rest of my life. I'm sure many of you have stories like this thanks to Ed. I think he lived to help others. As others have said, Ed was a humble man whose greatest wealth was his generosity and kindness to all who knew him. A teacher who lived his life to help others. Just think of how many people Ed must have helped over his 70 years. It doesn't get any better than that. You will be missed! Joe

“ One of the best joys of moving back to Toledo and finding a house on Wamba Ave was meeting Ed. He was a wonderful man and someone we will never forget. Steve so enjoyed being his chauffer for the time that Ed needed him. He was wonderful to our grandkids when they came and allowed Joseph to help him on jobs. He tried really hard to get Steve for involved in the actual repairs, but it was not to be. Ed was always available for anyone and he was right there to see us off that Sunday in November when we put Toledo in our rearview mirror. He will not be forgotten. In memory of a wonderful friend, love STEve & Nancy
