“ My deepest sorrow at the passing of your beautiful Mother and wife. I spent so much time at your home as a kid I almost felt like one of you. Your Dad even bought me a hula hoop when he bought one for all of you. Your Mom was a beautiful person inside and out and her most important and rewarding job was mothering a fabulous group of children. I'm sending many hugs. Gain strength from each other. Would love to be able to see all of you, will see how the weather goes. Much love, Reny
