“ I am so sorry to hear of Eleanor's passing. My condolences to her family. My parents were good friends with Eleanor and Irv. I barely remember being at their home in north Toledo as a young child - I think on either Ontario or Michigan. I may have even played with some of you. Irv would often work with dad at our company, Miller and Schaefer, back in the 1940's and 50's when an extra man was needed for deliveries. I worked at Champion later on (1968-96) and made a renewed acquaintance with your mother. What a sweet lady she was! As an engineer, I had responsibilities in the Packing Dept. and would often get a chance to stop at her machine and talk with her.

“ Dear Jan and Judy; I am so sorry I was unable to stop by in person for Eleanor and give my sympathies to you. It was a pleasure knowing your mom and spending time with her to help her as needed even though she was always there ready to help herself! She was so thoughtful that way and funny about what I might want to do while there instead of the other way around. She was a very sweet lady and hopefully in much better hands now. Thanks for allowing me into your home and meeting mom. Take care and god bless. mg

“ To the Family. I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God’s Word the Bible. Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death. In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth. The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more. I hope that after reading this that it will be of comfort to each of you. To learn more as to why we die and what hope for our loved ones, please feel free to go to the website: [jw.org](http://jw.org).

“ My deepest sympathy on the loss of your Mother. I did not have the pleasure of meeting Eleanore, but if her daughter Janice, is any representative of her Mother, then she must have been a "special" lady. My thoughts and prayers go out to the Nolte family.
