“ Dear Toeppe children. I am sorry I was not able to vist at the funeral home or come to your mom's funeral. She was such a gentle lady, who picked herself up after your dad left. She had children to raise and she stepped up to the plate. It does not matter how old we are, it is difficult when our mom dies. I wish I had known she was at Sunset because I visit Bea Rehm who lives there. Blessings to all of your family.

“ Hi, we don't know each other, but in reading the toledo blade I saw Eleanor's obit. It said that she was the daughter of Neil and Loretta Stull. That name rang a bell. I looked in my Mom's address, and there was a Stull in there. I don't know if Loretta had lived in Jewett Ohio, as did my mother,or that they worked together at the phone company, on the east side in the 1900's.Please accept my sincere sympathy,for your loss. If you would like to contact me do so at my above email or,
