“ So sorry to learn of Elinore's passing. I was looking forward to sending her best wishes on her 100th birthday. Elinore was my mothers first cousin and the Michigan connection. The last few years I always stopped to see Elinore on my way home from Florida and we both enjoyed the visits. Elinore's caregiver was always so nice. Elinore was the only connection I still had with my grandparents family. I stop at Calvary every year also. The seven sisters are all there, probably playing canasta. My sympathy to her family. I will miss our visits.

“ *My sincere sympathy to all of Elinore’s. family. Elinore & my Mother were Cousins.*

My Mother was Bea Kopp. We would attend Functions at St. Catherine’s and usually sat with Elinore. Elinore was always so sweet & kind to everyone. She was always dressed so beautifully & completely put together. She was always in charge of the situation. After many years had passed, the Cousins would get together for lunch. My Mom didn’t drive so I always accompanied her. They had such fun reminiscing the good old days. It was very interesting to me. I think Elinore was what you would call a real “Lady.

It’s too bad she didn’t make that 100 mark, but came close.

My Mother was Wanda Grohowski daughter

All of you close family were blessed to have her in your life,

May the Angels have carried her into Paradise.

With sincere sympathy, Barbara Collinson.

“ I worked with Elinore for 19 years at the City of Toledo, Streets ,Bridges and Harbor.

Elinore had a strong work ethic and high standards.

I considered her to be like family. She was the absolute best co-worker.

She loved people and always treated everyone with great respect and kindness.

With our deepest sympathy,

“ So many wonderful memories of spending Sunday's at your Mom & Dad's. Aunt Elinore was always fun to be with and fed us well. Later on I came to admire her for her volunteer work at the hospital and always staying actively engaged in life. Her sweet spirit was always evident. I know she leaves behind a big hole in the hearts of her family. Fly with the angels Aunt Elinore!
