“ Dear Family, I saw Elsie a couple of times in the last 12 months and was so very surprised to see that she is now with our maker. She was my baby sitter when she was about 15 and then later a tutor. I looked her up last year because I was grieving from losing my wife. Stopped by her place in Toledo. Then she and her daughter-in-law stopped by my mom's place in Brandenton Beach this last spring. As it happens, I was visiting there too so I got to see her again. She was so full of life and vibrant. I have so many fond memories of growing up in the neighborhood where she lived. Her dad was quite the character...complete with the Scottish brough and "hat". Please accept my most sincere sympathy to you and all her family. God bless you all. Roger Lippincott Life Long Friend

“ As a fellow Frog Lady, I cherished Elise's friendship. Her selfless dedication to volunteer work was an inspiration to me. Our common love for sewing brought us together, but Elise's warm personality united us as friends. I'm grateful to have known her.
