“ On behalf of the Hashim family I want to extend our sympathy for your loss. I remember all of you briefly from the neighborhood (I was a bit younger) and Bette Jo briefly from SUA (she would have been in the "BIG SIS" class a few years ahead of me. It's an SUA thing) and as you know "Deacon" was so much a part of our family it seems we all know all of you. Sending prayers at this difficult time.

“ Please accept my prayers for all of the members of Bette Jo's family. She was always so happy and made others happy along with her. She was an outstanding young woman in a group of wonderful, outstanding young women from SUA Class of 1970. We were blessed to have known her and experience her joy in our lives. God Blessed her, may her spirit continue to dwell in those she left behind.
