“ I was very sadden to hear the news of Liz's passing. I have many great memories of working with her at Jones Junior High School. She kept me out of trouble many times! She was a very warm and generous person and always ready to lend a helping hand. Liz was an integral part of what made Jones a great place to work. My thoughts and prayers go out to the entire family.

“ I am so sorry to hear of the passing of your mom. I still think fondly of our team dinners and the fun we had at each others' houses with our families. We are going to be out of town this weekend and will be unable to attend the services but I wanted you to know Lisa and I send our condolences and our thoughts and prayers are with your family during this difficult time. “ Your mom was the best! I shared many a lunch with her at Jones looking at Tupperware. One booklet offered a 12 piece set of decorative boxes I very much wanted to buy. Sadly, the purchase was not in my budget. Your mom contacted my sister who lived out of town and arranged to have her buy the set for me as a surprise Christmas gift. They are prominently displayed in my dining room to this very day. I never look at them without thinking of your mom and her warm, loving, generous spirit. We can all rest in the fact that she knew the Lord, and is now in His arms forever at peace.
