“ *Your mother was such an asset to the Special Olympics. She coached my daughter Amy in volleyball. Amy would always call her Mom and was her go to person if I wasn't at the event. She was a lot of fun and will missed a lot. Always loved her smile. RIH Betty you are now with Ed and Donald.....Connie and Chuck Burke and Amy Wyatt*

I went to Start with Amy, she was always a joy to see in the hallway with that big smile of hers. Mom always enjoyed having Amy on the team. Thank you for the kind words.

“ *We sat behind Betty , Ed and Don in church for many years, we have happy memories of them at Fairgreen. Ed was always looking for things to do for the church. Right now we have a photograph of Don who was a deacon in the narthex. We are having church outside right now and a couple of weeks ago,we actually sat on Don's bench. When Betty could no longer drive, we would pick her up and drop her off for service even though she was very independent and would sometimes come by taxi so we arranged that the WestPark bus would bring her and take her back. The Wolf family was a great asset to Fairgreen Presbyterian church and will be sorely missed. We send our condolences to the family.....Agnes McKinstry and Christina Roebuck*

“ *My mother, Norma Burnham, was a good friend of your mother while she was living at West Park Place. I would always find them sitting together offering companionship to one another. Betty was always very kind to my mother. I am sorry for your loss.*

Your Mom is a very sweet lady. I always knew that if I found one of them the other was near.
