“ Our sympathies to Gene’s family. He and Donna were wonderful people, being both kind and fun loving. We enjoyed our time with them in Fort Myers Beach. Gene got his tee time in much of the time. We celebrated many happy events. Gene will par the heavenly golf course and Donna will chat and laugh with Elsie and “Jack Darling”. Rest In Peace my good friends. ❤️🕊️

“ Dad, you were the best Father, Father-In-Law, Grandfather, and Great Grandfather to all of us. You were so supportive in all of our activities, whether being a coach in little league, camping in Indian Guides and Boy Scouts or just being in the stands during special events. You were such a devoted Husband and loyal friend to so many. You were always there whether we needed advise, help with something, or to just listen. I will miss all of our many vacations and going out to breakfast on Veterans day. I was so blessed to have you as my father. Until we reunite in Heaven. Love You Michael.

“ We have so many beautiful memories of times with Gene and Donna as they would stop here in Georgia on the way to their Florida trips. Gene always had a sweet spirit, an infectious laugh and a huge smile. David has so many fond memories of growing up in the neighborhood. He will hold those times close as we remember such a treasure of a man. Our hearts are heavy with you, Mike and Dave. May God bring you comfort and peace in the days ahead.

“ We are extremely saddened by the news of Genes passing. Our friendship goes way back to the days playing softball and being golf partners for over 35 years in the company golf league. His friendship will be sadly missed.
