“ *Loretta; you may not remember me, but I am so sorry to hear of Mike's passing. Many years ago when so many of us worked at Toledo Edison and were involved in all the plays, Feather parties, etc., Mike was always there with us and brought so much joy and laughter to all of us whether we were working or goofing off. I rarely saw him after I left the Edison, but remember him fondly and know he will be missed by all of you. May he RIP.*
