“ Dear Diana and Family, Being from the old neighborhood where we could see your home from ours on Garrison Rd., I have very fond memories of your Mom. She was always smiling and always so helpful at Bargain City. I don't think she ever met a stranger. May the sweet memories that you all shared with her sustain you at this time.

“ Grandma, You still and always will make me smile..... Grandma would say: "I just got back from Disneyland in Florida" or "I've been to Disneyland". My response: "Grandma Disneyland is in California! Disney World is in Florida" :) Thank you for always making me smile! Love you! Caroline
