“ *My thoughts and prayers are with you. I worked with both your Mom and Dad down at Bennett's Food Center, it was my first job. They were both great. God Bless.*

“ *Cathy, I'm so sorry to hear about your mom passing. I'm hoping you remember me from years ago when we "hung out" together. Judy Melms' sister-in-law. I remember us going over to your house and laughing and talking to your mom. My prayers are with you even after all these years of not being in touch.*

“ *My condolences go out to you and your family in this difficult time. I would like to share a beautiful Bible hope from God found in Revelation 21:3,4 that assures us He will wipe all tears from their eyes and there will be no more death, suffering, crying or pain. This scripture has helped me and many others to be able to cope with the loss of a loved one. I hope it comforts you also. Again, my condolences. Jan*

“ *Cathy and Bobby, your Mom was loved! She knew it and loved you both more than words will express. Care for each other and all will be ok. Never the same but you will be well. Love you both, sorry for your great loss.*
