“ Dear Cathy and Dan: We were so sorry to hear that your mom had passed away. Kelly called me last night to tell us. Florence was such a great lady. We were neighbors for 40 years and really enjoyed visiting with each other. It was sad for me to see how much her health had failed in the last year. I missed not seeing her working in her garden last summer. She loved that so much and wasn't physically able to do it anymore. Really sad for me. I'll miss her a lot. Just wanted you to know that we're thinking about you all and wish we could be at Florence's funeral. You're in our prayers. Fondly, Jan and Jim

“ To the Family of Florence Hawley We were very sorry to hear about Florence and regret that we cannot be with you at this time. We last saw her a week ago last Wednesday before we left for Myrtle Beach, and it was evident to us that it was our final goodbye. Our thoughts are with you at this time, and we too are saddened at the loss of a longtime very good friend.

“ I got to know Florence when we worked together in the chaplain's department at Toledo Hospital and recognized right away what a really good person she was.....friendly, caring, and giving of herself. Since then our paths have crossed several times over a bridge table, and it was always a delight to renew our acquaintance. Our world was richer for her presence. My deepest sympathy to her family.
